The Power of Now – a guide to spiritual enlightenment by Eckhart Tolle is in the Public Domain, I just learned, and not just the audio version as I have written here earlier, the text-version is also available.. newworldlibrary com/ I had it posted here because I believed it was in the public domain since it could be found at sites I usually trust.. A word-of-mouth phenomenon since its first publication, The Power of Now is one of those rare books with the power to create an experience in readers—one that can radically change their lives for the better.
